## Summer Camp Information 2008

*Thank you for expressing interest in summer ministry at Life For Youth Camp. The following information will help you decide if this is where you would like to minister this summer.*

**Camp History** Life For Youth Camp was founded in 1959 by Uncle Dick and Aunt Betty Stevens. The camp is a non-denominational Christian camp that is passionate about connecting young people to Christ. We strive to provide a safe environment where parents can send their children for wholesome, fun activities while providing time for young people to learn more about Christ. Robby and Sherri Stevens, the son and daughter-in-law of Dick and Betty, became the camp directors in 2001.

**Day Camp** An average of 500 Day Campers, ages five to fourteen, arrive on the camp grounds each weekday during the summer. They can choose from one to all eleven weeks of Day Camp.

**Resident Camp** The camp can accommodate 220 Resident Campers each week. This program allows campers, ages eight to sixteen, to sleep in the cabins with their counselors.

**Junior Counselors** We choose our Junior Counselors from our C.I.T. (Counselor In Training) program. These teens help minister during the day and sleep at their homes each evening.

**Senior Staff** These are counselors ages 18 and up who have finished high school. You will join over 100 other staff in ministering to the campers. Challenging the young people of today to live for Christ in and away from home is a ministry that Life for Youth Camp does not take lightly.

**Application** Once we have your completed application we will contact you for a phone interview. If accepted you will receive a covenant to sign.

### **Staff & Summer Camp Dates**

- **Lifeguard Training & Supervisor Camp: May 28-30**
- **Staff Camp: May 31-June 4**
- **Summer Camp: June 5-August 15**

Staff Camp is required in order to minister at Life for Youth Camp. We need our staff to commit to minister for all summer. With advanced notice we will try our best to work with you for mission trips and weddings, etc.

**Lifeguards** If accepted for a waterfront position, you need to be certified. If you need to be certified or update your certification, you may sign up to take the lifeguard course at the camp starting Wednesday, May 28.

**Remuneration** All Summer staff living at camp will receive a weekly spending allowance of \$230.00 per week. Supervisors, food service, bus drivers, and staff living off the campgrounds please call the camp office for remuneration. Federal taxes, social security and Medicare will be deducted from your check.
